CIT PROGRAM [*REQUIRES APPLICATION]	ALL ABOUT CITs & RSITs: The CIT/RSIT program is a four-week long camp for teens who are interested in developing leadership skills and working with kids. Through interactive workshops, CITs & RSITs will learn about their leadership style and what it means to collaborate in team settings. They then get the chance to put their skills into action by planning camp activities, shadowing activity specialists, and assisting a counselor with a camper cabin. RSITs will work alongside the riding staff at the barn, shadowing them to develop their horsemanship skills with our horses.
